JACKSONVILLE, FL (February 11, 2013) - The CSI Companies www.thecsicompanies.com announced today it has been named to Inavero's 2013 Best of Staffing™ list. Presented in partnership with CareerBuilder, the fourth annual Best of Staffing lists provide the only statistically valid, objective, service quality benchmarks in the industry and reveal which staffing agencies are delivering exceptional service to their clients and the permanent and temporary employees for whom they find jobs. This year's list identifies CSI as one of the best staffing agencies for companies and job candidates to call when they are in need.

Less than one percent of all staffing agencies in North America receive the Best of Staffing award for service excellence.

Utilizing the Net Promoter® methodology, the 2013 Best of Staffing winners achieved satisfaction scores more than double the industry average. This stark contrast in scores is a clear indication that the firms who have earned their way onto the 2013 Best of Staffing lists truly stand out for their service quality.
